

11684. McManus (Damian): Naomhú Néill Fhrosaigh Uí Néill.

*In Féilscribhinn do Chathal Ó Háinle (2012), pp. 347–378.*

Examines literature concerning Niall Frossach, arguing that his depiction as an exemplary, peaceful and pious ruler who had a special sympathy with God and the church is the result of a deliberate process of ‘sanctification’.
