

1308. Rittmueller (Jean): The Gospel commentary of Máel Brigte ua Máelunaig and its Hiberno-Latin background.

*In* Peritia 2 (1983), pp. 185–214.

Argues that this early twelfth-century commentary in MS Harley 1802 drew on seventh- and eighth-century Hiberno-Latin sources rather than the ‘new learning’ of the Paris schools.
