*In Éigse* 39 (2016), pp. 246–249.

Argues that the proper name Cú Cuilleasc cáinte in *Aided Con Culainn* §31 (as ed. by A. VAN HAMEL 1933) is a corruption of the formula *cáinte co culluaisc* ‘satirist with an identifying mark’ found in *Beochobra Con Culaind*.
