

16144. Bhreathnach (Edel): Perceptions of kingship in early medieval Irish vernacular literature.

*In* Lordship in medieval Ireland (2007), pp. 21–46.

Examines theoretical texts on kingship (focusing on *Audacht Morainn* and *Tecosca Cormaic*), contrasting this with the portrayal of kingship in Leinster poetic material of the 7th to 12th centuries.
