

17995. Hoyne (Mícheál): Early Modern Irish miscellanea: 2. A detail of vowel shortening in hiatus in Classical Modern Irish.

*In* *Ériu* 67 (2017), pp. 174–178.

Shows that *áe* (/a:/ with slender offset) had a short equivalent *ae* (/a/) to which it was reduced in hiatus, and discusses a related problem in *IGT* i, §91.
