

2197. Veselinović (Elvira): Der Übergang von der Verbalkomposition zum *phrasal verb* im Irischen.

*In* 3. Deutsches Keltologensymposium (2004), pp. 95–110.

Discusses the occurrence in Modern Irish of constructions comparable to the English phrasal verbs, using the frequency and distribution of the verbal phrase *cur suas le* in comparison to *fulaing* as a case study.
