

2499. Jaski (Bart): ‘We are of the Greeks in our origin’: new perspectives on the Irish origin legend.

*In* CMCS 46 (Winter 2003), pp. 1–53.

Reconstructs the development of the Irish origin legend and discusses the Greek element in the pedigrees of the Gaels. Appendixes contain (1) the pedigrees from Noah to Míl and (2) of Partholón, Góedel and Nemed.
