

2806. Herbert (Máire): *Caithréim Cellaig*: some literary and historical considerations.

*In* ZCP 49–50 (1997), pp. 320–332.

Discusses the background to the story, and argues that it was composed between the 11th and the early 12th century by an author from the Clonmacnoise milieu with the intention of commending the loyalty to the old monastic system despite the newly acquired diocesan status.
