

2809. Kelly (Patricia): Two relative clauses in *Críth gablach*.

In ZCP 49–50 (1997), pp. 373–377.

Argues that D. A. BINCHY's emendation of the two sentences introduced by *céin* in *Críth gablach* §9, 77-79 is unnecessary, and offers an interpretation of the text that allows the restoration of the original readings in MS TCD H 3. 18 (*céin mbís maice* and *céin bes n-óenchiniud*).
