

2826. Okuma (Keishiro): Problems of Indo-European mythology: 2. The name of the Tuatha Dé Danann.

*In* ZCP 49–50 (1997), pp. 670–681.

Discusses the religion of the substratum population in Ireland and Britain, and suggests that the theonym *Danu* contains a pre-Indo-European element *da*.
