

3188. Byrd (Andrew Miles): Return to dative *anmaimm*.

*In* Ériu 56 (2006), pp. 145–155.

Discusses the origin of the ending *-(a)im(m)* of the dative singular of Old Irish neuter *n*-stems, providing substantiation for C. MARSTRANDER's suggestion (*in* Ériu 5 (1911), p. 200) of an assimilation of *\*-mmVn#* to *\*-mmVm#*.
