In Ériu 26 (1975), pp. 178–181.

Argues that Ir. *sop* is not a borrowing from ON *soppr* as stated in *DIL* but rather a borrowing from L *stuppa* through Brit-Lat. **suppa*; Faroese *soppur*, Shetland *sipp*, W *swp*, *sypyn* are to be regarded as Viking age borrowings from Irish.
