

3313. Carey (John): The obscurantists and the sea-monster: reflections on the *Hisperica famina*.

*In* Peritia 17–18 (2003–2004), pp. 40–60.

Studies the A and B versions of the story found under the heading *De gesta re*, and argues that they are composition exercises of Irish origin which show the influence of Irish secular narratives.

*Classifications:*

- F 5.1: Literature and learning: Latin literature: Hisperica famina
