

4176. Jaski (Bart): Aeneas and Fénius: a classical case of mistaken identity.

*In* Texts and identities in the early Middle Ages (2006), pp. 15–34.

Investigates the causes and the chronology of the confusion between Latinus of Italy, the father-in-law of Aeneas and Iulus son of Aeneas on the one hand, with Latinus of the Tower, the father-in-law of Fénius, and Nél son of Aeneas on the other in the Irish origin legend, focusing especially in *Lebor Gabála* (whose various recensions are discussed) and *Auraicept na nÉces*.
