

4676. Rodway (Simon): ‘Gaulish’ megaliths in Ireland? *Gall* in *Sanas Cormaic*.

*In* CMCS 55 (Summer 2008), pp. 41–50.

Argues that Cormac’s derivation of OIr. *gall* ‘standing stone’ (*Corm.* Y 683) < *Gall* (= L *Gallus*) is unfounded and criticises the view that this entry provides evidence for an Irish tradition of Gaulish settlement in Ireland.
