

504. Ó Concheanainn (Tomás): The textual tradition of *Compert Con Culainn*.

*In* *Celtica* 21 (1990), pp. 441–455.

Discusses the relationship of the two extant versions as they appear in the two earliest sources, RIA 23 E 25 and Egerton 1782, and argues that a form of the *Compert*, corresponding to the second version, was known to the author of the poem *A rí ríchid réidig dam*.
