- Rev. by*
Pierre-Yves LAMBERT, in *ÉtC* 15 (1976-1978), pp. 754-772.
Breandán Ó BUACHALLA, in *Celtica* 12 (1977), pp. 211-222.
Brian Ó CUIV, in *Éigse* 15/2 (Geimhreadh, 1973), pp. 164-169.
3010. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 1. Die keltische Praeposition ir. *co*, kymr. *py* 'zu'.
In ZCP 32 (1972), pp. 1–3.
Argues that *co*^h displaced *ad* and assumed the latter's grammatical properties.
3011. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 2. Zur irischen Konjunktion *co*, *co n-* 'so daß, bis (daß)'.
In ZCP 32 (1972), pp. 3–13.
Finds a syntactic parallel of the Old Irish explicative nasalizing relative in Basque.
3012. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 3. Zu alt- und mittlir. *co-cúala*, *con-acca* 'hörte, sah';
In ZCP 32 (1972), pp. 13–18.
Argues that the prefix *co n-* in these forms is, originally at least, a lexical particle, and not a connective devoid of meaning.
3013. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 4. Das negative altir. Präverb *nícon* 'non'.
In ZCP 32 (1972), pp. 18–35.
Identifies its original syntactical usage and argues (with R. THURNEYSEN, *GOI* §861, vs. D. GREENE, in *Ériu* 21 (1969), pp. 90-92) that it contains the consecutive conjunction *co*.
3014. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 5. Das altirische Verbalpräfix *nu/no*.
In ZCP 32 (1972), pp. 35–59.
Criticises the doctrine that links Old Irish preverbs *no-*, *to/do-* with the Hittite 'sentence connectives' and proposes alternative etymologies based on their Basque and Amazigh typological parallels, among others.
3017. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 10. Zur Etymologie von irisch *ás*, *fás* 'wachsen', und der Name der Osseten.
In ZCP 32 (1972), pp. 77–78.
745. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 11. Zu irisch *gruth* 'Quark', engl. *curds*.

- In ZCP 32 (1972), p. 79.*
Rejects J. POKORNY's etymology in *IEW*, p. 406 (s.v. **greut-*).
3016. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 12. OIr. *mí sílta* 'the month of sowing' (= Spring?).
In ZCP 32 (1972), p. 80.
Term for 'spring(time)' occurring in *Críth Gablach*, lines 535 ff.
3015. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 13. Addendum zu Gúbretha Caratniad §39.
In ZCP 32 (1972), p. 81.
Welsh parallel to early Irish legal obligation for a woman to call for help if she is the victim of a rape attempt.
3009. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 15. Baskisch-Keltische Etymologien.
In ZCP 32 (1972), pp. 85–87.
OIr. *sor, sar, sarachán; berbad, bruth; lágha, láighe.*
3008. Wagner (H.): Beiträge in Erinnerung an Julius Pokorny: 16. Zu dem irischen Stammesnamen *Luaigni/Luigni*.
In ZCP 32 (1972), pp. 87–89.
Etym. of the ethnonym.
746. Schmidt (Karl Horst): Zur pronominalen Differenzierung von Transitivum und Intransitivum im Altirischen.
In ZCP 32 (1972), pp. 90–95.
Remarks by H[einrich] W[agner] appended.
W. (H.) (*app. auth.*)
747. Williams (N. J. A.): Eachtra Éachtaigh mhic ríogh na mBan Fionn.
In ZCP 32 (1972), pp. 96–119.
Edition with notes, synopsis and glossary, from MS Egerton 171, written by Leabhras Mac Ealairneadh (Lawrence Mac Alerny) in 1795. Includes a section on linguistic features associated with Ulster and Connacht.
748. Hamilton (John Noel): Varia (Alt- und Mittelirisches): 1. The consuetudinal present of the copula.
In ZCP 32 (1972), pp. 120–121.
Argues that *bimmi* in Wb. 3^d27 is a further example of its paradigm, instead of editor's future.
3019. Hamilton (John Noel): Varia (Alt- und Mittelirisches): 2. A passage in Immram Máile Dúin.
In ZCP 32 (1972), p. 121.

- na aicci* in A.G. VAN HAMEL's edition (p. 50, l. 837 [Best² 1252]) to be translated as 'in a short while, in a moment'.
3018. Hamilton (John Noel): *Varia* (Alt- und Mittelirisches): 3. Some verbal forms in Buile Suibne.
In ZCP 32 (1972), pp. 121–124.
ad R. P. LEHMANN, in *ÉtC* 6 (1954), pp. 289–311 and 7 (1956), pp. 115–138 (*BILL* 3341).
749. Henry (P. L.): New light on King Lear.
In ZCP 32 (1972), pp. 125–166.
1. The role of the elements; 2. The new critical perspective. Re-appraisal of theme of retribution by supernatural powers, particularly through invocation of the elements, in Shakespeare's *King Lear*; examines medieval concepts of 'prince's truth', 'divine right' and 'elemental power'; some comparisons from Celtic literature.
750. Evans (Emrys): A vocabulary of the dialects of Fanad and Glenvar, Co. Donegal.
In ZCP 32 (1972), pp. 167–265.
Supplements H. WAGNER's *Linguistic Atlas and Survey of Irish Dialects* (= *BILL* 3547) Vol. 4, points 69, 70. Includes phonetic transcription, and a brief discussion of a number of East Ulster and Scottish Gaelic features in the dialect.
