

800. Quin (E. G.): *Varia*: II. A further note on Wb. 13b13.

*In Ériu* 33 (1982), pp. 165–166.

ad E. G. QUIN, *in Ériu* 31 (1980), pp. 146-149 and L. BIELER and J. CARNEY, *in Ériu* 23 (1972), pp. 1-55. Suggests a revised translation: 'It is usual, then, for clever competitors to allow the field to overtake them and when a tiring (*or* easy) pace is expected (by the field) they (the clever ones) make after them (go into the attack, Carney) and are soon well ahead of them'.
