

9588. McCone (Kim): OIr. *erbaid* 'entrusts', *orb* 'heir' and *orbae* 'inheritance'.

In Studia celtica et indogermanica [Fs. Meid] (1999), pp. 239–242.

Argues that OIr. *erbaid* continues a Celt. primary verb **erb-e/o-* derived from a PIE root **h₁erb^h-* 'bequeath' to which OIr. *orb* and *orbae* are morphologically related.
